YOUR STAYCATION

## THE PERFECT START.

Its clear design language and consistent lines reveal the unmistakable family affiliation of the megaSun 4800. Its unique features are evident in the details – including an attractive design. The standard version of this device category is equipped with the evoSystem<sup>2</sup>, innovative reflectors in the facial area for even better performance

distribution, and two extraSunlight lamps. In combination with state-of-the-art technology, the pigment lamps achieve perfect, skin-friendly tanning results and provide the body with sufficient amounts of vital vitamin D. Electronic ballasts reduce the energy consumption of the lamps. Eco-friendly and cost-cutting!
